Foundation Stage

Welcome back!

😊 We hope you enjoyed the week's break and are ready for the new term ahead. The children really enjoyed learning about other countries and cultures last term and we have lots of exciting things planned for this term.

Our theme for Term 4 is

PEOPLE WHO HELP US

😊 We have secured visits from a nurse, cabin crew, the police and fire service plus our visit to the library*. If you have a role or profession that you would be able to share with the children, please let us know. Our aim is to widen understanding of people and their role in the community which will interest and inspire the children. We will develop a sense of respect for those people as well as planting seeds and aspirations for the children's own future.

😊 We look forward to meeting you at consultations. If you haven't made an appointment and would like to, please see your class teacher.

😊 We would like to thank for your continued support.

😊 The Foundation Stage Team 😊

** Further to our previous note, please advise if you are free to help.*
