## Early Years and Key Stage 1 (0-6)

I understand that the school's Acceptable Use Policy will help keep me safe and happy online.

- I only use the internet when an adult is with me.
- I only click on links and buttons online when I know what they do.
- I keep my personal information and passwords safe.
- I only send messages online which are polite and friendly.
- I know the school can see what I am doing online when I use school computers and tablets and Microsoft Teams, Numbots and EdShed, including when I am at home.
- I always tell an adult/teacher/member of staff if something online makes me feel upset, unhappy, or worried.
- I can visit [www.thinkuknow.co.uk](http://www.thinkuknow.co.uk) to learn more about keeping safe online.
- I know that if I do not follow the rules:
  - I will be reminded of what I should be doing. (warning/ further education)
  - My parents will be notified of what I have done.
  - I may have time working with an adult for my next use.
  - I may have time where I cannot use the device.
- I have read and talked about these rules with my parents/carers.

# Learner Acceptable Use of Technology

## Key Stage 2 (7-11)

I understand that the school Acceptable Use Policy will help keep me safe and happy online at home and at school.

### Safe

- I will behave online the same way as I am expected to behave in the classroom.
- I only send messages which are polite and friendly.
- I will only post pictures or videos on the internet if they are safe and appropriate, and if I have permission.
- I only talk with, and open messages, from people I know.
- I will only click on links if I know they are safe.
- I know that people I meet online may not always be who they say they are. If someone online suggests meeting up, I will immediately talk to an adult.

### Learning

- I am not allowed to use my own personal device on school grounds without permission first.
- I always ask permission from an adult before using the internet.
- I only use websites and search engines that my teacher has chosen.
- I use school devices for school work unless I have permission otherwise.
- If I need to learn online at home, I will follow the school remote learning AUP.

### Trust

- I know that not everything or everyone online is honest or truthful.
- I will check content on various sources like other websites, books or with a trusted adult.
- I always credit the person or source that created any work, images, or text I use.

### Responsible

- I keep my personal information safe and private online.
- I will treat my password like my toothbrush! This means I will not share it with anyone (even my best friend), and I will log off when I have finished using the computer or device.
- I will not access or change other people's files or information.
- I will only change the settings on a device if a member of staff has allowed me to.

### Understand

- I understand that the school internet filter is there to protect me, and I will not try to bypass it.
- I know that all school devices and systems are monitored to help keep me safe, including when I use them at home.
- I have read and talked about these rules with my parents/carers.

- I can visit [www.thinkuknow.co.uk](http://www.thinkuknow.co.uk) and [www.childline.org.uk](http://www.childline.org.uk) to learn more about being safe online.
- I know that if I do not follow the school rules then:
  - I will be reminded of what I should be doing. (warning/ further education)
  - My parents will be notified of what I have done.
  - I may have time working with an adult for my next use.
  - I may have time where I cannot use the device.

## Tell

- If I see anything online that I should not or that makes me feel worried or upset, I will minimise the page or close the laptop lid and tell an adult straight away.
- If I am aware of anyone being unsafe with technology, I will report it to a teacher.
- I know that being responsible means that I should not look for bad language, inappropriate images or violent or unsuitable games, and that if I accidentally come across any of these I should report it to a teacher or adult in school or a parent or carer at home.
- If I get unpleasant, rude, or bullying emails or messages, I will report them to a teacher or other adult. I will not delete them straight away, but instead, keep them so I can show them to the person I am reporting it to.
- I know it is not my fault if I see, or someone sends me, something bad online. I always talk to an adult if I am not sure about something or if something happens online that makes me feel worried or frightened.
- If, for any reason, I need to bring a mobile phone into school I know that it is to be turned off and handed in to the office and then collected at the end of the school day.

To ensure that members of staff understand their professional responsibilities when using technology and provide appropriate curriculum opportunities for learners, they are asked to read and sign the staff Acceptable Use of Technology Policy (AUP).

Our AUP is not intended to unduly limit the ways in which members of staff teach or use technology professionally, or indeed how they use the internet personally, however the AUP will help ensure that all staff understand Palace Wood expectations regarding safe and responsible technology use and can manage the potential risks posed. The AUP will also help to ensure that Palace Wood systems are protected from any accidental or deliberate misuse which could put the safety and security of our systems or members of the community at risk.

### Policy Scope
