PALACE WOOD'S

# Book in a Bag

At Palace Wood, we love to read. Each week, this book bag shall go home with a child from the class for them to enjoy over the weekend. Please look after the book and the bag and kindly return them on Monday in the same condition in which you found them. Thank you!

Snuggle up with this book and enjoy reading it with your family. Sharing a book together is a special time to connect and be a great model as a reader.

We love to see our Palace Wood children enjoying reading outside of school. To celebrate our Book in Bag with the school community, please do share a photo of you and your child reading this book and email to us at: [office@palacewood.kent.sch.uk](mailto:office@palacewood.kent.sch.uk)
