

Year 6 Summer Term 5

ENGLISH

KEY MESSAGES

The theme for this term is citizenship.

Children will explore what being a 'citizen' means through various subjects.

Also, this term children will sit their end of key stage assessments (the SATs). The Year 6 team would like to take this opportunity to wish all the children the best of luck - we are incredibly proud of the work they have put in this year and the resilience they have shown. Well done to all the children!

This term children will be reading Thornhill by Pam Smy. Using this text as inspiration, children will learn how to write a suspenseful narrative and reveal a character's inner thoughts and feelings.

We cannot wait to hear the children's views on the book.

MATHS

During maths this term, children will continue to develop their understanding of converting measurements and explore the use of statistics more deeply.

Term 5
texts

Year 6 Summer Term 5

ART

Children will be exploring how artist Pablo Picasso used art to respond to the events of WWII.

FRENCH

Children will continue to develop their vocabulary and begin to learn about the weather in French.

PSHE & RE

Children will explore what different religions teach us about being a good citizen.

HISTORY

Children will build on their learning of WWII and explore how the Jewish community were treated during this period of history.

COMPUTING

Children will continue to develop their understanding of how to be safe online, as well as develop their coding skills.

SCIENCE

Children consolidate their learning of topics we have covered so far as well as being to look about what healthy relationships are.

PE

PE will be on **Monday and Tuesday** this term
Children will be developing their cricket skills.

MUSIC

Children will continue to develop their use of musical language and with a focus on tempo and pitch.
